

Spotlight Impact

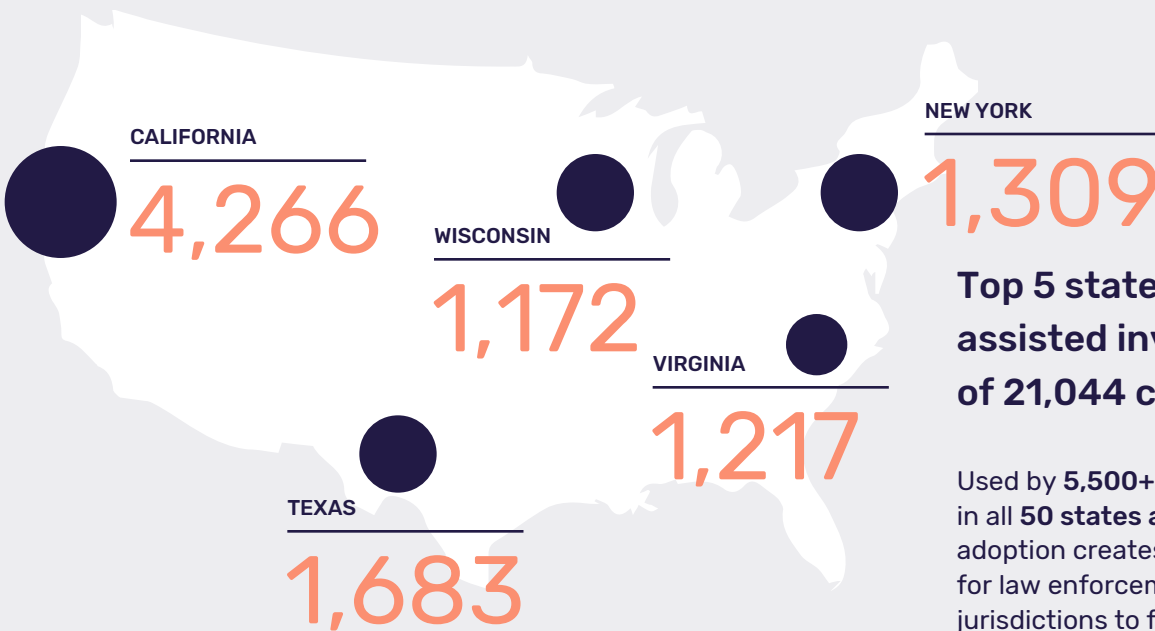

To better understand Spotlight's impact over the past 12 months we surveyed our current law enforcement users – here are the results.

18,119
Victims identified

5,791
Children identified

6,553
Traffickers identified

*Data from September 2016 + 2017 user survey covering the previous 12 months.

Top 5 states for Spotlight assisted investigations out of 21,044 cases.

Used by **5,500+ officers, 1,430 agencies** in all **50 states and Canada**. Widespread adoption creates an unprecedented ability for law enforcement to collaborate across jurisdictions to find victims faster.

65%

CRITICAL TIME SAVED

Users who reported using Spotlight daily had a 65% time savings in investigations.

“ Spotlight is a force multiplier at every stage of the operation. This tool allows us to conduct faster, more precise investigations that will remove criminals from the street and, most importantly, recover victims.”

- FEDERAL AGENT, HONOLULU
